Client Name :	M/s. Gangwal Healthcare Pvt. Ltd.
Location :	Gujarat Print Pack Publication Pvt. Ltd.
Date :	07.06.2022

Subject: Discussion about Quality Issues

Participants :

1. Gangwal team
2. Shail Patel
3. Virat Rajgor
4. Mehul Prajapati
5. Kapila Barad

Key points Discussed:

1.**Anilox line issue in TSS Avocado restorative Body Butter 200g Side label** – We will take precaution during printing so that same issue does not occur in future.

2. **Printing issue in Vitamin C+ 60 Tablets Label** – Will take extra care while QC inspection.

3. **Foil line issue** – Will change foil specification (will order foil as per required size only).

4. **Foil Registration issue** – Will take precaution during printing in future supply.

5. **Shade variation issue in TBS deep cleansing beard wash-250ml Label**: To avoid shade variation issue will do proofing in 3 options. 1) Gloss UV, 2) Matt UV, 3) Soft Touch. (Shade as per 1st job approval- 2019)
As per discussion will do only in standard (LSD not required) and will send the 5 extra sheets for their reference along with shade cards.

6. **Misalignment on two sides of labels**: To avoid the misalignment issue will take trial with new punching die on plain labels and send it for trial.

7. In future, in case any deviation is there in any job first we will intimate to customer and then will proceed.
