**5    ☐ Impact of any applicable legislative & certification scheme changes**

**Reporting Responsibility / Process Owner: Director– Sales & Marketing / PSTL & Manager – QA (Kapila Barad)**

**Items/records reviewed: Customer feedback & Customer complaint data**

- There has been no changes or updates in applicable legal requirements such as EC 10/2011 referring to www.ec.europa website
- No additional legislation related to Product safety in line with our products so far found. All the Raw material being used meets all applicable legal requirements for Indian, EU & USFDA legislations. RD/05 found updated for all current legislation related to Product safety of IS, USFDA & EC regulations based on TDS received from each RM supplier.
- FSSAI regulation updated for usage of recycle % in PET which is not applicable to our site.
- Migration test as per EC 10/2011 has been carried out as per yearly frequency
- Product safety & quality culture questioner & plan was being implemented & monitored at regular frequency.

**Discussion Results:** ☐ **No action required**

**MANAGEMENT REVIEW MEETING RECORD – BRCGS PACKAGING (ISSUE 7) – 21.07.2025**

Format No.: F/SYS/04

Rev No: 01

Date: 01.04.2025

Page No.: 6 Of 9

**8 Site's performance against the standard & objectives set (Review of Quality & Product safety objectives and targets)**

**Reporting Responsibility / Process Owner: PSTL (Kapila Barad) / Respective process HODs**

**Items/records reviewed:** Quality & Product safety objectives

- Target for current review period: 01.01.2025 to 30.06.2025
- Total nos of Objectives established: - 19
- Nos of Objectives achieved >90% of the planned target: - 19
- Nos of Objectives achieved <90% of the planned target: - 0
- Few objectives revised based on planned improvement
- GALLUS printing machine required to be opened for replacement of bearing, which resulted for the 1<sup>st</sup> time & due to that, this higher breakdown hours reported
- Details of Objectives to be revised based on past performance, current & near future trend, technological limitations & resources allocation

**MANAGEMENT REVIEW MEETING RECORD – BRCGS PACKAGING (ISSUE 7) – 21.07.2025**

Format No.: F/SYS/04

Rev No: 01

Date: 01.04.2025

Page No.: 8 Of 9

- 9 Effectiveness of Product defense (TACCP), Product fraud prevention plans (VACCP), Product safety and Quality culture plans**  
**Reporting Responsibility / Process Owner: Sr. Manager – HR & admin (Mr. Vipul) / PSTL (Mr. Vivek)**  
**Items/records reviewed:** Internal product NCR records, Customer complaint records, audit NC records
- TACCP & VACCP found effective so far.
  - During internal analysis as well as for external analysis carried out, no evidence of product fraud noticed. No such inputs received from market research or feedback also.
  - During review of site security measures carried out, no evidence of product contamination or intentional contamination or any such events of breach reported.
  - No incidents of any theft or intentional contamination or deliberated dilution etc. reported so far.
  - Product safety and Quality culture plan has been established as per requirements of BRCGS – Packaging (issue 7) & it's been recently established, so far effectiveness of action plan / activities being monitored & reviewed as per time frame & found achieving
- Discussion Results:**  
☐ **Effective – No action required**
- 10 ☐ Adequacy and awareness of Various Policies (Quality & Product Safety Policy, PRP Polices etc.), Product safety culture**  
☐ **Reporting Responsibility: PSTL (Kapila Barad)**  
☐ **Documented information reviewed: Annexure A to G (BRCGS – Packaging Issue 06 manual)**  
☐ **Discussion Results:**
- CEO reviewed the adequacy & effectiveness of all the policies & decided not to modify any existing policy
  - All Product safety policies were reviewed during this MRM as per requirements of BRCGS Packaging - Issue 7 & no changes in any of the policy suggested by CEO.
  - All Product safety Policies awareness was found effective & effectively communicated through display of all policy in local language. Frequent training & awareness programme have been conducted
- ☐ **Discussion Results:** ☐ **No action required**
