 Mock Recall scenario considered was related to missing print on the EAN code.
 Ms. Kapila Barad (Manager - QA) had Telephonic conversation with Sales coordinator - Ms. Vaishali , regarding the status of the products (Consumed & in Stocks)

Response from Customer

Ms. Kapila Barad (Manager - QA) had Telephonic conversation with Sales team member - Ms.Vaishali, regarding the status of the products (Consumed & in Stocks) on 05.02.2025 at 2.21 PM to know the status of the stock availability. It was further communicated that, there might be an possibility of missing print on the EAN code in some of the sleeves at customer end. Sales Sales team member - Ms.Vaishali talked to customer & customer informed that, they have consumed part quantity of sleeves & remaining sleeves were in their stock. Customer further informed that, they have not observed any issues with the packing materials. Internal traceability was carried out, which was completed around 3.33 PM (1.12 hours). It was further informed to customer that there were actually no quality issues of missing print on the EAN code & it was carried out as part of Mock recall exercise.
